**RE: SUPPLY AND INSTALLATION NEXXIS CARPARK ACCESSORIES – SPEED
RESTRICTION RAMP SR-425, INDOOR & OUTDOOR CONVEX MIRRORS @
PROJECT: HDB CHOA CHU KANG N8C12, KEAT HONG LINK**

Between April and September 2026, Nexxis Systems Pte Ltd partnered with us for the supply and installation of carpark accessories.

The collaboration with Nexxis was entirely seamless. Their project team handled all our requests in a timely and professional manner, maintaining clear communication throughout that made working together a pleasure.

The products supplied are of superior quality, excelling in both visual appeal and performance. Furthermore, Nexxis's expert recommendations greatly assisted our coordinators in relaying precise specifications to the architects—ensuring the optimal positioning and quantity of convex mirrors along our L1 driveways.

Their installation of the road humps was executed swiftly, securely, and fully in compliance with our timeline prior to TOP.

We are extremely satisfied with their service and look forward to partnering with Nexxis and their team on future projects."

Yours Sincerely,
