Nexxis Systems Pte Ltd was the awarded Sub-Contractor to carry out Supply and Installation works for Carpark Accessories, Back-of-House Loading Bay Bumpers and Heavy Duty Big Stoppers. They take pride in their work and attended to our site requests promptly and proactively. Communication was clear, transparent and effective.

The entire project was completed on schedule and accordingly to timeline. Nexxis team took great initiative to address site constraints and Mr. Arthur's valuable experience enables quick resolve on installation methods and procedures. Their products design, quality and high standards of workmanship ensures a seamless experience working with them.

Overall, we are satisfied and grateful for the dedication and support rendered in ensuring a successful completion. We look forward to continue the same standards in future and upcoming projects.
